

St Richard's Church Building Appeal

As a church we have a vision to “to bring glory to God, to grow disciples of Jesus and to serve the needs of our parish and wider community” – that’s what we stand for. But could our building better support this vision?

Although we are grateful to God for all the ways our building has served the church and parish over the last 50 years, looking ahead we need to ensure that it can continue to serve the needs of the community – those who worship and those who use the building in different ways throughout the week.

The catalyst for this project was the repeated thefts of copper in 2010-11, which left the church with a badly leaking roof and a large bill. To make things worse, our spire is also crumbling and needs to be taken down. But rather than simply fix the roof we believe that, guided by our vision, God wants us to be bold and to think about the ways in which we can grow as a church and community.

- **grow** personally in faith and confidence in God
- **grow** the St Richard's church family
- **grow** God's presence in Hanworth

We believe this project can be a catalyst for growth in each of these areas and more. That's why we're asking each church member to support financially this building project and to pledge money to **Project Grow**. In total we are looking to raise £200,000 from within the church family over a five year period.

Of course, that is a large sum of money, but when pledges are made over a five year period, and Gift Aid reclaimed (where possible), even modest monthly sums really do add up. So thank you for prayerfully considering how you can back this project and for pledging your financial support.

Please use the form on the reverse to make your pledge and return it to St Richard's Church (for the attention of David Baggs).
