

## St Richard's Church 2018 Project Appeal

As a church we have a vision to “reach out to the whole community in order to meet the needs of the whole person: spiritual, emotional, physical and relational” – that’s what we stand for. Our building is a key resource in this mission, but is no longer fit for purpose.

**Project Grow** is a visionary plan to renovate and improve every part of our church and centre, providing a new glass fronted foyer and café space, three meeting rooms, kitchen, toilets and disabled access throughout. At a cost of £1.5million, we know this is going to be a long-term project.

But we have to make a start, and the most urgent need is to renovate the roof and spire – what we’re calling **Phase 1**. This includes:

- A completely new roof structure and insulation, reducing our CO<sub>2</sub> emissions
- Remedial works to the crumbling spire, maintaining our visibility
- Roof windows bringing in natural light and ventilation, enhancing the environment for users
- New store and Playgroup office, increasing storage space
- A new high performance waterproof membrane, ensuring no more leaks!

The cost of Phase 1 is £300,000 and as of March 2018 we can access £150,000. We’re half way there, but still need to raise **£150,000** before work can begin.

With all this in mind, would you prayerfully consider:

- Making a one-off gift
- Making a commitment to regular ongoing giving
- Offering us an interest free loan, over a period of 3-5 years (£80,000 has already been offered in this way)

Thank you for helping, through your gifts, to grow the presence of God in Hanworth. Please use the form on the reverse to make your pledge and return it to St Richard’s Church (clearly marked ‘Project Grow’).
